

About Us

The Firehouse Sandwich Stop, located just a short walk from the Visitor Center at Buffalo Trace Distillery, opened in the summer of 2010. The Sandwich Stop is inside of the original Distillery firehouse, built in the 1930s. See authentic fire coats and boots once worn by Distillery workers in the '50s and '60s when the Firehouse was in full swing at the Distillery.

Buffalo Trace Distillery offers tours Monday through Saturday from 9am-4pm & Sunday Noon-3pm.

All tours are complimentary and end with a tasting of our award-winning bourbon.

We hope to see you soon!
